

BATESVILLE YOUTH BASEBALL & SOFTBALL 2024 SPONSORSHIP OPPORTUNITY

Plans for Batesville youth to play baseball & softball in 2024 are underway! The support of our community is a vital component to our league and the continued support of local businesses led to great success in 2023 with over 500 kids playing baseball & softball locally!

We understand that finances are challenging, especially for small businesses, but sincerely hope you will consider a sponsorship opportunity to support our youth.

Your sponsorship provides an opportunity for your organization to show your support to youth baseball & softball. There are a variety of ways to sponsor including: having your business featured as a team name and on their shirts or having a banner hung on the fences of the fields. We are happy to work with you individually if you have other ideas to feature your business at the Plex.

Sponsorship money is used to maintain our fields, provide equipment to players, and operation funds that make the Plex the best complex in Southeastern Indiana. We thank you for your consideration and look forward to seeing your organization represented at the Plex.
